Notice to Skippers no. 10/2023

Pursuant to Art. 14 sec. 1(4) of the Act of July 20, 2017 Water Law (Journal of Laws of 2022, item 2625 as amended) and Art. 43 sec. 6 of the Act of December 21, 2000 on inland navigation (Journal of Laws of 2022, item 1097 and item 2642), the State Water Holding Polish Waters Regional Water Management Board in Białystok informs that:

due to low water levels on the Narew River as of **June 6, 2023 one section of the water bag damming weir at ENERGA Ostrołęka S.A. Power Plant at km 150 + 457 of the Narew River will be closed.**

In view of the above, the riverbed of the Narew River **with the width of 40 m from the left bank is unobstructed** and at a width of **20 m from the right bank**, 1 section of the damming weir is raised preventing the passage of floating objects. Please take extra care within the structure.

Further information on existing difficulties on the above-mentioned section of the Narew River waterway will be provided in subsequent Notices to Skippers.

For more information on shipping conditions, please contact from Monday to Friday, from 7 a.m. to 3 p.m. the Ostrołęka Water Authority, by phone +48 29 764 20 96 or consult the news published on the website: bialystok.wody.gov.pl in the "Notices to Skippers" tab.
