

BI.RPC.5032.27.2022

### **Notice to Skippers No. 24/2022**

Pursuant to Art. 14 sec. 1 point 4 of the Act of 20 July 2017 Water Law (consolidated text: Dz.U./Journal of Laws/ of 2021, item 624) and Art. 43 sec. 6 of the Act of 21 December 2000 on inland navigation (consolidated text: Dz.U./Journal of Laws/ of 2019, item 1568, as amended), Polish Waters State Water Holding, Regional Water Management Board in Białystok informs that:

due to low water levels on the Narew River, **one section of the damming weir near the ENERGA Ostrołęka S.A Power Plant, at km 150 + 457 of the Narew River in Ostrołęka, is closed as of 19 August 2022.**

**The above waterway may be navigated within 40 metres of the full width of the waterway.**

Use extreme caution and adhere to a speed limit of 5 km/h on the indicated section of the waterway.

Please pay attention to the traffic lights located within the weir, informing of the lack of passage (red light) and lack of obstructions indicating that the waterway on the Narew River is navigable.

Further information on existing difficulties along the above-mentioned section of the Narew River waterway will be provided in subsequent Notices to Skippers.

For more information concerning navigational conditions, please contact the Water Supervisory Office in Ostrołęka from Monday to Friday, between 7: 00 a.m. and 3:00 p.m., phone No. +48 29 764 20 96, or see the messages published at [bialystok.wody.gov.pl](http://bialystok.wody.gov.pl) in the Notice to Skippers tab.
