

BI.RPC.5032.28.2022

Notice to Skippers No. 25/2022

Pursuant to Art. 14 sec. 1 point 4 of the Act of 20 July 2017 Water Law (consolidated text: Dz.U./Journal of Laws/ of 2021, item 624) and Art. 43 sec. 6 of the Act of 21 December 2000 on inland navigation (consolidated text: Dz.U./Journal of Laws/ of 2019, item 1568, as amended), Polish Waters State Water Holding, Regional Water Management Board in Białystok informs that:

as **of 25 August this year**, ENERGA Ostrołęka S.A. power plant **will begin damming the 2 sections of the inflatable rubber dam at km 150 +457 of the Narew River** in Ostrołęka.

In view of the above, the riverbed of the Narew River at a width of **20 m** from the right bank is unobstructed, and at a width of **40 m** from the left bank **the 1st and 2nd damming baffles are raised to prevent the passage of floating objects.**

Use extreme caution and adhere to a speed limit of 5 km/h on the indicated section of the waterway.

Please pay attention to the traffic lights located within the weir, informing of the lack of passage (red light) and lack of obstructions indicating that the waterway on the Narew River is navigable.

Further information on existing difficulties along the above-mentioned section of the Narew River waterway will be provided in subsequent Notices to Skippers.

For more information concerning navigational conditions, please contact the Water Supervisory Office in Ostrołęka from Monday to Friday, between 7: 00 a.m. and 3:00 p.m., tel. +48 29 764 20 96, or see the messages published at bialystok.wody.gov.pl in the Notice to Skippers tab.
